

BUD LIGHT CHAMPIONS CLUB

Located on the north end zone, The Bud Light Champions Club offers breathtaking views of the stadium seating bowl. Perfect for daytime meetings, this room is conveniently located adjacent to four breakout suites, accommodating 30-50 guests per suite. This space is commonly used for receptions and/or dinners to accommodate up to 200 reception style or 140 for a plated dinner. While you can setup the room any way you need for your event, the existing setup is a collection of low square cocktails tables with a wood finish that does not require table linens unless you choose to add.

The event space is conveniently divided by a window-lined corridor taking guests from one reception area to an adjoining dining room. Additionally, there are 225 seats outside protected by an overhang, allowing guests to setup out outside and enjoy the fresh Rocky Mountain air! Events in this space have the option to incorporate scoreboard messages into the event among other visual dynamics (additional costs associated). Multiple TV's are positioned in the room for added flair.
