

PRODUCTION BAY

The Production Bay is the largest open space available for private events at Empower Field at Mile high! This space is conveniently located on the field level with the player's tunnels serving as the main entrance. For setup, the Production Bay is accessible for an easy load-in. The room's existing simplistic interior offers an event designer a blank slate, in which to create an extravagant theme party or presentation stage! The walls are painted white, the floor is a smoothed concrete and the ceiling displays a technical grid that can simply be disguised with lighting or ceiling treatments.

For dining this space can accommodate up to 750 with sightline to a main stage or 1,250 for a reception. With direct access to the Field Track, the Production Bay is often used in combination with Mane Street or the Field Track for larger events such as awards dinner, convention celebration or picnic!
