

PARTY SUITES

A Party Suite is ideal for daytime meeting, a private dinner, or a breakout session, while offering a comfortable and creative workspace! With (3) Party Suites adjacent to each other, each suite offers a stunning view of the field with natural light. The 5280 Suite, conveniently located next door, is another great space for smaller breakouts or a staff break room. Party Suites are a great compliment to other event spaces, as they are the perfect size for breakouts or VIP green rooms. The suites offer stadium style seating facing the field with a large open space to include round tables, theater style seating, or cocktail tables. Each of the (3) Party Suites accommodates between 30-50 guests pending your setup needs.
