

SUITE PROMENADE

Ideally situated on the Suite Level of the stadium, the Suite Promenade is perfect for a reception and/or dinner space giving partial view of the city lights. The Suite Promenade is adjacent to executive suites, allowing guests to view the stadium bowl & field. There are two alcoves, one which is great for pre-event festivities, while the other alcove offers a perfect semi-circle room for dining, tradeshow, meetings and breakout sessions. This intimate space is filled with oversized leather furniture groupings, which creates a natural reception area. The space allows for a custom setup for all event types. In utilizing this space Epicurean Catering exclusively offers the food and beverage service, which can accommodate up to 220 guests for dining or 500 reception style.
